It was later sent to UK contemporary hit radio on July 28 as the album's third single. The song was written by Del Rey, Matthew Samuels, Rakim Mayers, Jordan Carter, Tyler Williams, Jahaan Sweet, and Rick Nowels.[1][2] Background and composition On June 2, 2017, Del Rey revealed that she and ASAP Rocky had collaborated on a track for the album by posting a snippet of the song on Instagram with the caption: "We made a lot of good ones but I think we picked the best ones for the record".[3] According to the sheet music published at Musicnotes.com by Universal Music Publishing Group, "Summer Bummer" is composed in 44 time and the key of E-flat minor, with a relaxed trap/hip hop and electronica tempo of 67 beats per minute.[4] "Summer Bummer" was labeled a hip hop song by Alexa Camp of Slant Magazine, [5] while Ryan Reed of Rolling Stone described the sound of the s rattling trap beat".[6] Critical reception "Summer Bummer" received generally positive reviews from critics. Anna Gaca of Spin stated "Even as it widens—slightly—the range of her catalog, 'Summer Bummer' is best viewed as a classically Lana Del Rey set piece: a heavily stylized soundtrack for drugs, pools, and high-contrast monochromes. 'White lies'—or maybe that's, ahem, 'white lines'—'and black beaches/And blood red sangrias', she sings later, mirroring a color scheme that dates back to 'Off to the Races'. Sonically, 'Bummer' is like a trap-inspired take on Honeymoon's High by the Beach, and thematically, it doesn't go anywhere that song didn't already."[7] Pitchfork's Rebecca Haithcoat said "[Summer Bummer] is not a traditional contender for the song-of-the-summer flower crown. It's sticky, but in a dense and oppressive, not light and carefree way. Even in Del Rev's songs with a cooler temperature, there's a humidity to her voice, a thickness that slows her tongue. Listless delivery paired with such vivid description is a hallmark of her work, and here it functions as a cocoon you don't want to escape even as you feel the knife's edge of danger. ASAP Rocky and Playboi Carti's contributions feel a little unnecessary, as Del Rey has no trouble carrying a track on her own. Near the end, her voice suddenly jumps an octave and, for a moment, floats sweetly atop the roiling fever dream."[8] Frank Guan of Vulture stated "Summer is about love. But the music on 'Bummer carries with it an unprecedented charge. Boi-1da and T-Minus, A-list producers renowned for their work with Drake and other rap artists, have laced Lana with a heat-dazed, shade-cooled beat, a banger situated halfway between beach and trap. It's a track that any rapper would be proud to surf over, and Rocky knows it, delivering a calmly boastful, well-tailored verse punctuated by a choice, subdued set of A\$AP affiliate Playboy Carti's ad-libs. Meanwhile Lana's voice, passionate and aching yet effortless and chill, sings to a lover free to change yet fated to accept her love. Racial subtext slips in through lines about white lines and black beaches, though the real poetic highlight is the blood-red sangrias. After years in the dark, Lana's love with hip-hop is out in the open again, and like any love, it feels as if no time has passed at all."[9] The Washington Post's Chris Richards claimed "The album's most narcotic single, Summer Bummer, is an echo of Del Rey's trademark hit, Summertime Sadness, only more evocative. Picture the singer idling around in the July heat, slowly typing out a telepathic love letter inside her skull. She's listening to the radio, and her mind is drifting between external sensation and internal desire. We hear the voices of Playboi Carti and A\$AP Rocky splashing around the background—they're hip-hop in the summer, the song on the airwayes."[10] The song was ranked the 56th best song of 2017 by Noisey.[11] Track listing Digital download - Snakehips Remix[13]No.TitleLength1."Summer Bummer" (featuring ASAP Rocky and Playboi Carti)4:21 Digital download - Snakehips Remix[13]No.TitleLength1."Summer Bummer" (featuring ASAP Rocky and Playboi Carti)4:21 Digital download - Snakehips Remix[13]No.TitleLength1."Summer Bummer" (featuring ASAP Rocky and Playboi Carti)4:21 Digital download - Snakehips Remix[13]No.TitleLength1."Summer Bummer" (featuring ASAP Rocky and Playboi Carti)4:21 Digital download - Snakehips Remix[13]No.TitleLength1."Summer Bummer" (featuring ASAP Rocky and Playboi Carti)4:21 Digital download - Snakehips Remix[13]No.TitleLength1."Summer Bummer" (featuring ASAP Rocky and Playboi Carti)4:21 Digital download - Snakehips Remix[13]No.TitleLength1."Summer Bummer" (featuring ASAP Rocky and Playboi Carti)4:21 Digital download - Snakehips Remix[13]No.TitleLength1."Summer Bummer" (featuring ASAP Rocky and Playboi Carti)4:21 Digital download - Snakehips Remix[13]No.TitleLength1."Summer Bummer" (featuring ASAP Rocky and Playboi Carti)4:21 Digital download - Snakehips Remix[13]No.TitleLength1."Summer Bummer" (featuring ASAP Rocky and Playboi Carti)4:21 Digital download - Snakehips Remix[13]No.TitleLength1."Summer Bummer Bu (featuring ASAP Rocky and Playboi Carti) (Snakehips Remix)4:08 Digital download - Clams Casino Remork[14]No.TitleLength1."Summer Bummer" (featuring ASAP Rocky and Playboi Carti) (Clams Casino Remork[14]No.TitleLength1."Summer Bummer" (featuring ASAP Rocky and Playboi Carti) (Snakehips Remix)4:08 Digital download - Clams Casino Remork[14]No.TitleLength1."Summer Bummer" (featuring ASAP Rocky and Playboi Carti) (Snakehips Remix)4:08 Digital download - Clams Casino Remork[14]No.TitleLength1."Summer Bummer" (featuring ASAP Rocky and Playboi Carti) (Snakehips Remix)4:08 Digital download - Clams Casino Remork[14]No.TitleLength1."Summer Bummer" (featuring ASAP Rocky and Playboi Carti) (Snakehips Remix)4:08 Digital download - Clams Casino Remork[14]No.TitleLength1."Summer Bummer" (featuring ASAP Rocky and Playboi Carti) (Snakehips Remix)4:08 Digital download - Clams Casino Remix)4: Studios (Los Angeles) and Hampstead Studios (London) Mastered at Gateway Mastering Publishing (ASCAP), Sony/ATV Tunes LLC (BMI), Brother Bagz Publishing/Warner-Tamerlane Publishing Corp.
